Dr. Darya Funches

Darya has dedicated her professional life to evolution of humanity to reach its highest potentials to benefit current and future generations at work, home and in community. In different professional practices, she is

an applied behavioral scientist, practitioner & teacher, & a spiritual scientist, practitioner & teacher. She offers expertise in metaphysics, organization effectiveness & transformation, including leadership, cultural and personal transformation & effective use of self as a transformer. Her research and practices bring inherent gifts, knowledge & skills into powerful ways of seeing & knowing, being & doing that synthesize universal principles & down-to-earth practicality to achieve accelerated results. Darya is an author, inspirational speaker, educator, consultant, coach and ceremonial leader. She is Founder/Principal of REAP Unlimited, author of "Three Gifts of the Organization Development Practitioner", *I Send My Blankets Over You*, co-author of "Leadership is Love Made Visible" & more.

She has life-long experience with the Akashic Field & Record, helping to recognize the souls of systems & individuals, bridging this potential into excellent results. Darya helps shape & activate vision, decode the roots of illness, dysfunction & low performance, encode for health and high performance, heal wounds & trauma, & reposition to realize vision.

She is a minister & regular speaker at Unity Center for Positive Living in Centralia WA, has studied & sat with indigenous elders in the US & from across the globe and has served on several adjunct faculties - USC-WPAC, Union Graduate Studies, Gestalt OSD Program, and American University.
