

Spring's First Bumblebee

Mike Mercker

I found a queen
Bumblin' around
So I helped her out
'Till she left the ground

Her wings worked
better than her legs
Which dangled behind
Like two lose pegs

**She circled 'round
And 'round our yard
Then took a dive
And landed hard**

**Precisely in
A purple room -
The four petalled walls
Of a crocus bloom**

I went to see
How she did fare
Found golden dust
Upon her hair

How sweet, indeed!
My friend was blessed
And laid herself
Down for a rest

**She circled 'round
And 'round our yard
Then took a dive
And landed hard**

**Precisely in
A purple room -
The four petalled walls
Of a crocus bloom**

The flower's petals
Closed at night
And kept her sleeping
Safe and tight

When morning came
I looked to see
And she's still there
That sleepy bee!

**She circled 'round
And 'round our yard
Then took a dive
And landed hard**

**Precisely in
A purple room -
The four petalled walls
Of a crocus bloom**

**She circled 'round
And 'round our yard
Then took a dive
And landed hard**

**Precisely in
A purple room -
The four petalled walls
Of a crocus bloom**

We All Need More Kindness In This World

Guy Davis

We all need more kindness in this world
We all need more kindness in this world
 You may look high and low
 But there's no place else to go
We all need more kindness in this world

We all need more hugging in this world
We all need more hugging in this world
 You may look high and low
 But there's no place else to go
We all need more hugging in this world

We all need more laughing in this world
We all need more laughing in this world
 You may look high and low
 But there's no place else to go
We all need more laughing in this world

We all need more sunshine in this world
We all need more sunshine in this world
 You may look high and low
 But there's no place else to go
We all need more sunshine in this world

We all need more peace-times in this world
We all need more peace-times in this world
 You may look high and low
 But there's no place else to go
We all need more peace-times in this world

We all need more friendship in this world
We all need more friendship in this world
 You may look high and low
 But there's no place else to go
We all need more friendship in this world

When I Pray

Daniel Nahmod

When I pray
I feel my heart go deeper
My heart go deeper into my God

Right here
Right now
Right where I am
I pray

When I pray
I feel my soul go deeper
My soul go deeper into my God

Right here
Right now
Right where I am
I pray

When I pray
I feel my love go deeper
My love go deeper into my God

Right here
Right now
Right where I am
I pray

When I pray
I feel my heart go deeper
My heart go deeper into my God
