

## **Deep Inside My Heart**

Deep inside my heart  
I've got this everlasting love  
It's shining like the sun  
It radiates on everyone

And the more that I give  
The more I've got to give  
It's the way that I live  
It's what I'm living for

Deep inside my heart  
Oh, way down deep inside my heart  
I've got this everlasting love

## Just Like The Sun ~ Laurie Berkner

I went out today and I saw the sun rise  
Open up its eyes, I saw the sun rise  
I went out today and I saw the sun rise  
I'm just like the sun

I went out today and I saw the sun set  
Saw it go to bed, I saw the sun set  
I went out today and I saw the sun set  
I'm just like the sun

Just like the sun, just like the sun

I went out today and I saw the sun hide  
Hide behind the clouds, I saw the sun hide  
I went out today and I saw the sun hide  
I'm just like the sun

I went out today and I saw the sun shine  
Shining out its light, I saw the sun shine  
I went out today and I saw the sun shine  
I'm just like the sun  
Shining like the sun

Just like the sun, just like the sun  
Just like the sun, just like the sun

## Ong Namō ~ Snatam Kaur

The rain is pouring down  
Like all the souls you send here  
Coming to this earth  
To find healing

Mother earth takes in the rain  
Like your heart takes my voice  
Let us free each other

With our prayers, with our voice  
And I'm coming home  
And I'm coming

Oh, my beloved  
Kindness of the heart  
Breath of life  
I bow to you

Divine teacher

Beloved friend

I bow to you, I bow to you

Again and again

Lotus sitting on the water

Beyond time and space

This is your way

This is your grace
