

Those Who Wait Upon The Lord ~ John Wesley

Those who wait upon the Lord shall renew their strength

They shall mount up on the wings of eagles

They shall run and not be weary

They shall walk and not be faint

We now rise and shine for light has come

We will rise up in power

Give our love, through every hour

Come on now, let us answer Spirit's Call

Come on now, let us follow Spirit's lead

Eternal Life in Me ~ Santa Lucia

Eternal life in me, spark of divinity,
Gives me a vital glow and causes me to grow.

Eternal life in me, stream of God's harmony,

Is forever flowing,

blessing me with purest energy.

Eternal life in me, breath of infinity,

Quickens my heart and soul;

cleanses and makes me whole.

I am the Christ design, glorious life divine!

In me, through me, perfect light may shine!

Eternal life is mine.

Breathe Through Me ~ Warren Meyer

Breathe through me; breathe through me;

Oh blessed Spirit, breath through me.

Breathe through me; breathe through me;

Oh blessed Spirit, breathe through me.

Live through me; live through me;

Oh blessed Spirit, live through me.

Live through me; live through me;

Oh blessed Spirit, live through me.

Speak through me; speak through me;

Oh blessed Spirit, speak through me.

Speak through me; speak through me;

Oh blessed Spirit, speak through me.
