Count Your Blessings

Edwin Excell

When upon life's billows you are tempest-tossed,
When you are discouraged, thinking all is lost,
Count your many blessings, name them one by one,
And it will surprise you what the Lord has done.

Count your blessings, name them one by one,
Count your blessings, see what God has done!
Count your blessings, name them one by one,
Count your many blessings, see what God has done.

When your life seems empty, it is so untrue;
There's a mighty Presence making all things new,
Miracles take place wherever you may be,
Proving that God's love is with you constantly

Count your blessings, name them one by one,
Count your blessings, see what God has done!
Count your blessings, name them one by one,
Count your many blessings, see what God has done

Love To Tell The Story

I love to tell the story, thy faith my church proclaims
Of love and peace and justice, a fire of many flames

I love to tell the story, because I know it's true
That when we work for justice, we find the holy too.

I love to tell the story! 'Twill be my theme in glory
To tell the old, old story: Of love in me and you

My church as but one temple, wide as the world is wide
Set with a million altars, where a million hearts abide.
My church as but one doctrine, is one and only creed
To give my love to others,
in thought and word and deed

I love to tell the story! 'Twill be my theme in glory
To tell the old, old story: Of love in me and you

I love to tell the scripture, that I have found of worth
A bible that is loose leaf, with words from all the earth
The word of God is present, in all who do their part
To share the song of freedom,
that's written in their head

I love to tell the story! 'Twill be my theme in glory
To tell the old, old story: Of love in me and you

My church has no damnation It has no fear to sell
You need no fire insurance,
when you have no fear of hell
Not "people into heaven", is other churches shout
But "heaven into people", is what we're about

I love to tell the story! 'Twill be my theme in glory
To tell the old, old story: Love's in and fear is out

The Twelve Powers William Jude

Love and Wisdom, Faith and Power,
They are mine, yes, they are mine!
Strength and Order, Will and Judgment,
All are mine, I let them shine!

Life and Zeal, Faith and Power,
They are mine, yes, they are mine!
Understanding and Forgiveness
All are mine, I let them shine!

To the Christ I now surrender
All my faculties divine,
Christ now guides them to fulfillment
So let my true light shine

Work Wonders From Within

Carmen Moshier

Work wonders from within; that's where to look, within
There's no use looking somewhere else
for power that you need to win.

Work wonders from within; Be sure you look within
Just take your mind from outer fears;
Don't think it's too late, begin:

In you, in me, there's power to be
In you, in me, there's power
that will set us free.

My course is up to me; Of course, it's up to me!
So I'll set my mind to use my power
if wonders I want to see!

Ask For Me

Alan Stanley

Ask for me, I am there !

Ask for me, I am there!

Ask for me, I am there!

I am there, I am there, I am there.

Need a friend? Think of me.

Need a friend? Think of me.

Need a friend? Think of me.

Think of me, think of me, think of me.

I'm one with you, You're one with me.

I'm one with you, You're one with me.

I'm one with you, You're one with me.

We are one, we are one, we are one.
