

Prayers for EVERY DAY

This is God's day. In God I live and move and have my being. Every experience that comes to me is God's opportunity for more expression through me. I need do nothing alone, for the wisdom, peace, understanding, love, joy, and enthusiasm of God radiate through me. I am a shining, progressive, successful expression of God manifesting in ever-greater glory.

Each day I choose what I will serve. I put my confidence in God and serve faith rather than fear, happiness rather than unhappiness, peace rather than confusion. I take into my heart and mind a new confidence, remembering that I am the beloved spirit of God, that I have not been given "a spirit of fear but a power of love and of a sound mind." I remember that God's divine and perfect purpose for me is good, that God is with me as power and life, wherever I am and whatever I do. God has given me everything I need to accomplish all the good my heart desires. And I am grateful!

God is always with me, mighty to direct my life, quick to give me peace and health, and powerful to guide me to success and safety. I am enfolded in God's loving presence and blessed with a life of purpose and meaning. I trust in God for the fulfillment of my every need. As I pray, my faith is renewed and I am open and receptive to abundant blessings.

I am poised, patient, and positive as divine blessings unfold in my life. The transforming power of God is at work in me. I am open and receptive to my highest good. I honor the presence of God in me and know I am deserving of every good thing. I am wise, loving, prosperous, free, and peaceful.

I am not alone. God is always with me, supporting and guiding me through any challenge. I trust every circumstance in my life. In times of fear or uncertainty, I remember that God is with me, loving, uplifting, and guiding me into the light. I am blessed with strength and courage, and I rest in the knowledge that, in Truth, all is well.

The presence of God in me is greater than any fear. I trust in God's protecting, guiding presence. Where ever I go and whatever I do, God guides and guards me. I am safe in God's loving care. I am divinely protected, secure, and at peace.
