

This Is The Day

Jaya Lakshmi

Here is the place where I fall into grace
And release into the sweetness of your love
I surrender, I remember
The light, and the beauty that I am

Here is the place where I fall into grace
And release into the sweetness of your love
I surrender, I remember
The light, and the beauty that I am

This is the day when I throw it all away
To the fire of the all loving one
Now I have just what I need
To be free to feel who I really am

This is the day when I throw it all away
To the fire of the all loving one
Now I have just what I need
To be free to feel who I really am

I've Got Peace Like a River

Traditional Melody

I've got peace like a river in my soul
I've got peace like a river in my soul
I've got peace like a river in my soul

I've got peace like a river in my soul
I've got peace like a river in my soul
I've got peace like a river in my soul

I've got love like an ocean in my soul
I've got love like an ocean in my soul
I've got love like an ocean in my soul

I've got love like an ocean in my soul
I've got love like an ocean in my soul
I've got love like an ocean in my soul

I've got joy like a fountain in my soul
I've got joy like a fountain in my soul
I've got joy like a fountain in my soul

I've got joy like a fountain in my soul

I've got joy like a fountain in my soul

I've got joy like a fountain in my soul

May the long time sun
Shine upon you
All love surround you

And the pure light
Within you
Guide your way home
