

# THE QUEST

The Classic Unity Course Begins a New Session on September 1st

## From Ruth Anne, Recent Student

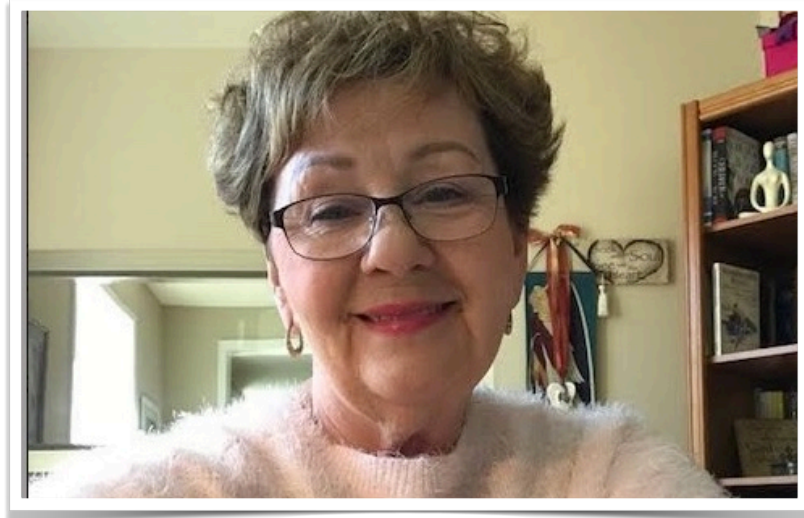

Rosella and Quest's teaching certainly guided my friend and I through challenging times this past year!

Rosella is such a caring, loving teacher and is always there to give individual support to her students. I plan to take this class with her again as she says she learns more about God and herself each time she reads the Quest!

## From Bob, Current Quest Explorer

The Quest is exploration of those things you already have in your mind and in your heart. What do we really believe about God, about spirituality, about religion, about prayer? Rosella is your escort through difficult questions and you can not be in safer hands.

**The course is a 48 week exploration of *The Quest: A Journey of Spiritual Rediscovery* by Richard and Mary-Alice Jafolla**

## Your Guide is Rev. Rosella Sims

Have you ever had an opportunity to work on yourself, really focus on you? To look deeply into what you believe and who you are? Do you have any habits, beliefs or behaviors that continue to color your choices? Are you willing to go on a mystical journey...within? This mystical journey will take time. It will ask if you are willing to change, release and grow. You can. For a year, right in the comfort of your own home, body and soul.

A skilled guide, Rev. Rosella Sims will facilitate the journey. A Spiritual Midwife, Rev. Rosella has assisted many in the adventure and continues because she believes in the process of "Transformation." The scripture of Saint Thomas is our guide: "If you bring forth what is within you, what you bring forth will save you. If you do not bring forth what is within you, what you do not bring forth will destroy you." Together we'll take the journey, becoming Spiritual Warriors, identifying and transforming old states of consciousness that are no longer useful on your path now.

If you are interested in focusing on knowing yourself more, make the commitment!

### From Shari, Quest Student for a Third Time

---

My Experience with the Quest and with Rosella's facilitation, was transformative. I love the Quest and Rosella. This is my 2nd time and I plan on taking again in September. The teachings take us deep into our beliefs and spiritual understandings, guiding us on a path to find ourselves and expand our beliefs. Rosella is a compassionate and loving teacher who each week allows everyone in the class to be themselves and is intuitive in her questions and helping each person find their way on the path.

The Course Fee for THE QUEST is \$240 for all 48 classes. You may choose full payment up front with a \$40 discount or to pay \$120 now and \$120 at the halfway mark. All sessions will be held via Zoom on Wednesday Evenings at 6pm Pacific Time. Complete the form to the right and Rev. Rosella will contact you to verify details and make payment arrangements.

## Reverend Rosella Sims

I have walked the path of transformation using Unity as my guide for 40 years. Through practicing New Thought Principles I healed of a catastrophic illness by changing my consciousness, learning the true meaning of Roman's 12:2 "Be ye transformed by the renewing of your mind." Little did I know, God had something bigger in store for me something I could have never imagined, at that time in my life, that was 1991.

A graduate of Unity School for Religious Studies License Teachers and Unity Institute Ministerial Program my life's work became one of a Minister, Unity Licensed Teacher and Transformational Facilitator. I have assisted others in seeing the power of their own perception and how it is influencing the nature of their life experience.

I am a consultant and a frame worker of the Truth. Serving people in their healing transformation by bringing light to regions of darkness, I hold the light for illumination. Illness was my teacher, cleansing and transforming my soul.

My joy is to support others through their awakening of moving from limitation to full, free spirit, a midwife aiding in mystical experiences as others journey deeper into Self and witnessing as they are ignited by the sacred flame at their center.

I am dedicated and excited to share Unity's transforming principles and way of living, so others may experience the freedom, the power and the fullness of Self.
