

The Spiritual Universe and the Physical Universe

Read Genesis 1:1-2:3, and compare it to Genesis 2:4-25. What is the same in both creation stories? What is different? What do you find most compelling about the similarities and the differences? What metaphysical meaning resonates in your life from these stories?

Unity cofounder Charles Fillmore said, “Life is a problem solvable by a principle whose essence is intelligence, which the wise person always consults.” (*Talks on Truth*) What helps you remember to consult that principle of intelligence when facing a problem?

When do you most express your sacred ability to create? Where would you like to express it more? What steps could you take to draw more deeply on that part of you which was created in the image and likeness of the Divine Creator?
