

The Trinity

Which Unity Trinity resonates more with you?
Why?

Mind – Idea – Expression

Spirit – Soul – Body

Traditional Christianity often devalues the body. Unity sometimes devalues the personality or ego. However, under traditional Christian doctrine, all parts of the Trinity are coequal (or equal to one another) and consubstantial (or of equal substance).

What impact, if any, does this have on how you see:

Spirit – Soul (personality/ego) – Body?
