

# One Heart

JD Martin and Jan Garrett

There's a new world on the horizon  
Made of light, not of stone  
Calling out to all creation  
You are not alone

Lions and lambs, saints and sinners  
Best of friend, enemies  
Woman and man, losers and winners  
They are all in you and me....we are

One heart....looking for answers  
One soul....finding our way in the dark  
One dream....we share together  
We are all a part of one heart

Out in the cold there are faces  
Hidden by the wind and rain  
Hold out your hand, someone will take it  
And bring you home again

One heart....looking for answers  
One soul....finding our way in the dark  
One dream....we share together  
We are all a part of one heart

Around the world tonight  
The fires are burning  
Tears are falling from the sky  
Still the world keeps turning

*Piano solo*

One heart....  
One soul....  
One dream....we share together  
We are all a part of one heart

One heart....looking for answers  
One soul....finding our way in the dark  
One dream....we share together  
We are all a part of one heart

I Am that I am  
Has sent me  
To this now moment  
Here I am...

I am that I am  
Has sent me  
To this now moment  
Here I am.

To be the voice  
And to be the heart  
Through which Heaven  
Has made known on earth.

To be the voice  
And to be the heart  
Through which Heaven  
Has made known on earth.

*Piano solo*

To be the voice  
And to be the heart  
Through which Heaven  
Has made known on earth.

To be the voice  
And to be the heart  
Through which Heaven  
Has made known on earth.

# **I Will Surrender**

Karen Drucker ~ David Roth ~ Faith Rivera

I will surrender to my greatest highest good.

I will release any fear that blocks my way.

For every step I take is taken in pure faith,  
and I am stronger every moment every day.

My mind is willing and my heart is open wide.

I trust my instincts and let Spirit be my guide.

I vow to live a life that's real and true and free,  
as I continue walking in this mystery.

I will surrender to my greatest highest good.

I will release any fear that blocks my way.

For every step I take is taken in pure faith,  
and I am grateful every moment every day.

There may be walls there may be roadblocks in my way,  
but I can choose to take a higher path each day.  
And now I know that what I thought was safe and sound,  
was only habit and regret that held me down.

I will surrender to my greatest highest good.  
I will release any fear that blocks my way.  
For every step I take is taken in pure faith,  
and I am kinder every moment every day.

And I'm more loving every moment every day

I will surrender every moment every day.
