The Burning Bowl Ceremony with Dr. Darya Funches:

Let go of negativity and limiting thoughts, deeds, and attachments from 2022, making way for your life's calling to manifest further in 2023. All that you need for this will be provided by Unity's Service Committee if you are present in the sanctuary at 800 South Pearl Street, Centralia WA. If you attend via Zoom, please have the following items with you at the time of the service: sage or cedar to smudge yourself and the room you are in; an electric or natural candle with a flame to set a sacred space for the Light of the World; a pen and piece of paper on which you write whatever you intend to release/let go; a ceramic bowl or a tin or disposable aluminum pie plate to use as your burning bowl; a match or fire source to burn whatever you intend to release.

The White Stone Ceremony with Dr. Darya Funches:

Having cleared away challenges of the previous year with the Burning Bowl, the White Stone Ceremony prepares you for the New Year. Go on a spiritual journey and meditate with us to receive the new key word or new spiritual name for you in the coming year. If you attend January 1st services in the sanctuary, the Service Committee provides all you need for this ceremony. If you attend via Zoom, please have the following ready: an electric or natural candle with a flame to create a sacred space for the Light of the World; a clean small white rock, stone or ceramic tile on which to write the new word or name for 2023 that appears in the journey or meditation; a marker or pen you use to write the word or name on the stone; an eye mask, blindfold, or cloth to use as a blindfold; and a glass or bowl of drinkable water.

Revelation 2:17: Whoever has ears, let them hear what the Spirit says to the churches. To the one who is victorious, I will give some of the hidden manna. I will also give that person a white stone with a new name written on it, known only to the one who receives it.
