

## **First Things First: from *Pray Up Your Life Self-Exploration Companion Workbook*, Charline E. Manuel**

There is an “order” to all things. When we incorporate this as a foundational principle by which we live, we put God first in our lives.

### **Reflection questions:**

What are some of the ways you currently put God first in your life?

What are some additional ways you could incorporate the “God first” principle in your life?

What connection do you see between “humility” and the principle of “God First”?

Write your own positive statement, incorporating the principle of “God first.” See how many of the words in the Word Search (on the back of this handout) you can include.
