

Bless Your Business: from *Pray Up Your Life Self-Exploration Companion Workbook*, Charline E. Manuel

I acknowledge my work and volunteering as God ideas. I work and serve in partnership with God and under spiritual principles.

Ideas to ponder from Charles Fillmore's *Keep a True Lent*:

“Take God into partnership with you and you will demonstrate abundance.”

How does your work and volunteering express the idea of partnership with God? What abundance results?

“All work becomes divine ... when [we affirm that we are] working for God...”

Whether you do paid work, work inside your home, volunteer or are retired, what if you are employed by the Divine? What impact, if any, does this mindset have on you?

Write your own positive statement, incorporating the principle of “Blessing Your Business.” See how many of the words from the Word Search (below) you can include.
