Lean on Me

By Bill Withers

Sometimes in our lives
We all have pain, we all have sorrow
But if we are wise
We know that there's always tomorrow

Lean on me when you're not strong
I'll be your friend, I'll help you carry on
For it won't be long
'Til I'm gonna need somebody to lean on

**Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show**

**You just call on me, brother,
when you need a hand
We all need somebody to lean on**

**I just might have a problem
that you'll understand
We all need somebody to lean on**

**Lean on me when you're not strong
I'll be your friend, I'll help you carry on
For it won't be long
'Til I'm gonna need somebody to lean on**

**You just call on me, brother,
when you need a hand
We all need somebody to lean on**

**I just might have a problem
that you'll understand
We all need somebody to lean on**

**If there is a load, you have to bear
That you can't carry
I'm right up the road, I'll share your load
If you just call me
Call me (if you need a friend)
Call me
Call me**

Unity Statement

WE BELIEVE in our oneness with all life and the power of love.

WE TEACH universal principles and values as taught by Jesus and others revealing the One God Presence.

WE PRACTICE prayer, meditation and service to be conscious of our oneness in God.

There is only One Presence and one Power active as the Universe and as my life, "God the Good."

SURELY THE PRESENCE

of God's Love is in this place

I CAN FEEL the mighty power and the grace

I CAN FEEL the rush of angel wings

I SEE glory on each face

Surely the presence of God's Love is in this place

When I Pray

By Daniel Nahmod

When I pray
I feel my heart go deeper
My heart go deeper into my God

Right here
Right now
Right where I am
I pray

When I pray
I feel my soul go deeper
My soul go deeper into my God

Right here
Right now
Right where I am
I pray

A woman with long hair, wearing a vibrant, multi-colored shawl, stands in profile on a hillside. Her hands are raised in prayer, palms facing each other. The background features a range of mountains under a hazy, overcast sky. The lighting is soft, suggesting early morning or late afternoon. The overall mood is serene and contemplative.

When I pray
I feel my love go deeper
My love go deeper into my God

When I pray
I feel my heart go deeper
My heart go deeper into my God

Right here
Right now
Right where I am
I pray

Peace Song

Let there be Peace on Earth and let it begin with me.

Let there be Peace on Earth, a peace that was meant to be.

With God as Creator, family all are we.

Let us walk with each other in loving harmony.

Let Peace begin with me. Let this be the moment now.

With every breath I take, let this be my joyous vow:

To take each moment and live each moment
in Peace eternally.

Let there be Peace on Earth
and let it begin with me!
