

Peace

Horace Silver

All we need in this world
Is to have a time of peace
A time of light and love
With all guidance from above
A time a man can understand
Being free
Oh in a time of peace

We need peace for our children
So that they may live a better life
What joy divine
What a perfect state of mind
With their worries and cares
Left behind

(Piano solo)

We need peace for our children
So that they may live a better life

What joy divine

What a perfect state of mind
With their worries and cares
Left behind

Oh what a peaceful time

Oh what a peaceful time

Oh what a peaceful time
