

The Twelve Powers

William Jude

Love and Wisdom, Faith and Power,
They are mine, yes, they are mine!
Strength and Order, Will and Judgment,
All are mine, I let them shine!

Life and Zeal, Faith and Power,
They are mine, yes, they are mine!
Understanding and Forgiveness
All are mine, I let them shine!

To the Christ I now surrender
All my faculties divine,
Christ now guides them to fulfillment
So let my true light shine
